TO: THE CITY COUNCIL
FROM: THE CITY MANAGER'S OFFICE

COUNCIL MEETING DATE
AUGUST 16 , 1989

SUBJECT: Purchase of playground equipment for Blakely Park

PREPARED BY: Ron Williamson, Director, Parks and Recreation

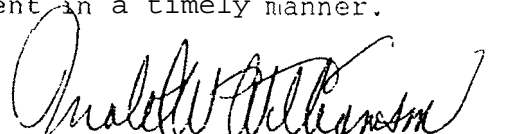

RECOMMENDED ACTION: That the City Council allow Parks and Recreation Department to add an additional \$2,329.56 to the purchase price of playground equipment/installation at Elakely Park. There was an error in figuring equipment installation costs by Miracle Playground Equipment Co.

BACKGROUND INFORMATION: Please first of all refer to Council Communication of July 5, 1989, for details on original request, together with playground layout and Miracle quote sheet.

When Miracle sales representative, Dale Green, gave me the quote on the playground equipment, he accidentally quoted a figure for one (1) Swing Set each of Strap Seat and Tot Seat types and it should have been for two (2) each. This would additionally add \$500.00 to our installation fee, which would add the amount of \$2,329.56 to the original quote of \$26,415.92, for a final total of \$28,745.48 for said equipment and installation.

As is stated on the original Council Communication, the funding for this project is under a Community Development Block Grant approved by City Council in 1988 and would be fully covered with the addition of the \$2,329.56 figure.

My apologies for this error and the fact it has had to be reviewed by you twice. Your approval of these funds will speedily allow us to purchase and install said equipment in a timely manner.

Ron Williamson, Director
Parks and Recreation Dept.
